

2022 Event Calendar

We are a Camaro Club of all generations/years of the Camaro. All Camaro enthusiasts are welcome, and you do not need to own a Camaro to be a club member. The Cool Runnin' Camaros Calendar of Events is a collection of club events, cruises, car shows and meetings that CRC Members may participate in. **All details for the meetings and locations will be outlined in this calendar and sent in email alerts and Facebook. Check out our Facebook page at: [Cool Runnin Camaros of Southern California Page](#) (membership is required for access)** We are a social club of enjoyment and recreation and have lots of activities planned for the year. **Special notice: For all events, we urge members to follow state and local guidelines regarding COVID-19 safety.**

For any Car Shows that require registration as listed on this calendar it is your responsibility to register on your own. At this time all members are responsible for their own meals at events unless otherwise specified by club officers for specific events.

**Information is subject to change at any time. Club members would be notified accordingly of any changes.
